

# Enviro Multi-Purpose Cleaner

**Sure Seal® Solutions Enviro Multi-Purpose Cleaner** is a heavy duty, water-based, hard surface degreaser specifically formulated using the latest revolutionary solvent technology to remove grease, dirt, grime and soot from all surfaces.

Developed as a superior alternative to dangerous chlorinated or caustic based products, **Sure Seal® Solutions Enviro Multi-Purpose Cleaner** is a special industrial strength cleaner and degreaser that combine safety with effective cleaning.

## KEY BENEFITS

- ✓ Safe, Non-Flammable
- ✓ Non Hazardous
- ✓ Non Corrosive
- ✓ Non Toxic
- ✓ Readily Biodegradable

**Sure Seal® Solutions Enviro Multi-Purpose Cleaner** is an innovative degreaser with excellent eco-friendly properties. It is non-toxic and readily biodegradable.

### Safe to Use

The product is non-flammable, non-hazardous, non-corrosive and has non-irritant properties. It has low / virtually no odour, is non-carcinogenic and is not an irritant or sensitizer, which makes it totally safe to use.

### An “Eco-friendly” solvent

Complies with Australian Standard AS4351 and is non-toxic and readily biodegradable which gives the product an excellent environmental profile.

### A powerful solution

It has high solvency power, and effective cleaning power for a wide range of applications. It's an aggressive industrial cleaner for floors, hard surfaces, equipment, machinery, kitchens and vehicles etc.

# Enviro Multi-Purpose Cleaner

## TECHNICAL INFORMATION

**Description:** A new revolutionary Soy solvent degreaser and cleaner to remove dirt, grease and soot from a variety of substrates including concrete, tiles, machinery parts, vehicles, engines, trucks, commercial kitchens and flooring etc. Its low foaming properties allows for use pressure washers and mechanical floor scrubbers. Contaminants just wash off easily.

**Clean up:** Rinse and clean equipment with water.

### Physical Properties:

- Appearance & Odour: Light red colour liquid with no / low odour
- Water Solubility: Completely soluble in water
- Corrosiveness: Non corrosive

### Identification:

- UN No. None Allocated
- Dangerous Goods Class None Allocated
- Hazchem Code None Allocated
- Sub Risk Class None Allocated
- Packaging Group None Allocated
- Poison Schedule Not Scheduled

**Dilution Rates & Application Instructions:** Sure Seal® Solutions Enviro Multi-Purpose Cleaner is a concentrated formula. Dilution rates are provided as a guide only. Always test product in an inconspicuous area first for suitability of use and dilution rate appropriate to application. Apply to area with spray, cloth, broom or brush and rinse off with water. May be diluted stronger or weaker depending on the degree of soiling.

**For Heavily-Soiled Areas:** Recommended dilution rate is 500ml to 10 litres of water (1:20). Stronger dilutions can be used for more difficult to remove contaminants.

**For General Maintenance:** Recommended dilution rate is 250ml to 10 litres of water (1:40)

Apply with a mop, broom or soft bristled brush and allow a few minutes dwell time for the degreaser to penetrate. Agitate the area to be cleaned with the mop, broom or brush, then rinse free with clean water.

**Transport:** This product has no UN classification. Non-Hazardous. Not classified as a Dangerous Good, according to the Australian Code for the Transport of Dangerous Goods by Road and Rail (6th Edition).

**Note:** Consult the Safety Data Sheet for full technical and safety details. It is recommended to test the product first on a small inconspicuous area to determine its efficacy or unexpected results.
